

## LIMITACIÓN DE JUGADORES ZONA COMUNIDAD VALENCIANA :

**NOTA:** Este listado es del 21 de junio de 2022, fecha tomada como referencia por la organización de las SNP para establecer la limitación de jugador@s que no pueden participar en la competición (Según ranking federado de la Comunidad Autónoma arriba indicada). Además de esta limitación cada capitán@ tendrá que tener en cuenta el resto de limitaciones que establece la normativa SNP para evitar incurrir en alineación indebida.

Todo jugador@ que aparece en este listado como excluid@ no podrá jugar la competición, y aquell@s que aparecen con una categoría asignada, no podrán jugar en una categoría inferior a la indicada.

También quedará excluid@ cualquier jugador@ que forme o haya formado parte de la Selección que represente a su Comunidad Autónoma en el Campeonato de España por equipos federado (categoría absoluta) el año anterior a la fecha del primer cierre de inscripción de la edición en curso de las SNP, o que aparezca en el ranking del World Padel Tour o circuito profesional equivalente con más de 0 puntos (excepto aquellos jugador@s cuyo único motivo por el cual estén rankead@s en el World Padel Tour sea por haber ganado un torneo amateur que como premio le haya otorgado una invitación directa a una prueba de World Padel Tour, dichos jugador@s tan solo podrán jugar en la categoría Grand Slam). Todo jugador@ que haya disputado alguna prueba en dicho circuito profesional (World Padel Tour) en los últimos cuatro años desde la edición vigente de las SNP, es decir, desde el 1 de enero de 2018 en adelante, tan solo podrán jugar la competición SNP en categoría Grand Slam; la única opción de jugar en categorías inferiores se podrá dar por haber iniciado la competición en categoría Grand Slam y haber descendido con el equipo en el que inició la competición SNP en categoría Grand Slam y nunca pudiendo jugar en otro equipo diferente en categorías inferiores.

Cuando el jugador@ tenga un histórico SNP de un mínimo de 3 partidos en un mismo grupo (GS, 1000, 500 o Future) y en la edición por la que se le etiquetó, la etiqueta de nivel SNP prevalecerá sobre cualquier otra limitación, exceptuando: la limitación de WPT, la limitación de selecciones de Comunidades Autónomas, y los casos de aquellos jugador@s que estén excluid@s de manera total de jugar la competición según las limitaciones de Comunidades Autónomas establecidas, es decir, que aparezcan en el listado de limitaciones como "EXCLUID@" (por ejemplo estar excluido de la competición por ser el número 4 de Andalucía masculino teniendo como referencia siempre el listado tomado en el momento concreto y publicado por SNP, y no ante posibles modificaciones posteriores).
